*Can
You
Help
Us?*

Do you have an interest in property? Each church within our group of churches is responsible for the maintenance of its own building but we share responsibility for the Manse that John and Judy live in and the graveyards at the former churches of Worlington and North Lake. We are looking for someone to coordinate any routine maintenance that might be required and work alongside us. If you feel this is a way you could serve and use your skills please speak to one of us: Andy Cooper, Paul Warren and Chris Down Circuit Stewards.

Smile, it helps so much.
